

REMARKS

All the rejections are moot in view of the amendments to the form of the claims.

Several of the Oxygen groups "O" in the definition of R³ and R⁴ were inadvertently changed to the number zero "0" in the preliminary amendment. Also, in the definition of Ar several R⁵ groups were corrected back to R⁵ groups. Support for these amendments can be found in the original claims and also in the specification.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
